Comment. After the troops had departed from the Oranienburg Concentration cump for Templis on 17 and 19 April and after the KVP	25 X 1
construction bureau had taken over the construction camp, there was the impression that the 25th Tank Div had definitely left and vacated the concentration camp. The present report indicates, however, that the unidentified tank training bettalion, with some of its elements, and the unidentified motor transport battalion of the division were still in Granienburg on 28 April.	25X1
